

Shalom Friends,

We really need your help. We have people who, for decades, have spread lies about us and falsely accused us of teaching "Replacement Theology" and/or "British Israelism" and/or "Identity/White Supremacist Theology" - and the truth is that we have taught against these things!!!

The problem is that we stood strongly against those who would disinherit the non-Jew from their rightful role as PART of the people of Israel (Eph 2:11-22; 1 Pet 2:9-10)- and in return we have been slandered without letup. This is the truth of what we teach: "Long ago the Father divided Israel into two houses, Ephraim/Israel and Judah, He gave them different punishments and promises, sent them in different directions to serve different purposes, and now He wants to put them back together and make them one stick in His hand" (Gen 48:19; Isa 8:13-14; Hose 1-2; Eze 37:15-28).

We do not teach "Replacement Theology" but instead teach "Inclusion Theology"!

We simply want to see the whole house of Israel included in her end-time restoration, even as Scripture says they will be included.

We have also been falsely accused of saying everyone has to be an Israelite or Ephraimite in order to be saved, but we teach that no one can know who is a biological Israelite, Ephraimite, or Jew, for that matter! However, the Word tells us that our God does know these things, and that He is regathering Ephraim and Judah and their COMPANIONS (Hos 5:3; 8:8; Amos 9:9; Jer 50:4-5,20). So we exclude no one!

To help combat the lies that are being told against us the Messianic Israel Alliance (MIA) wants everyone to know that we teach "Inclusion Theology"!

We want to see the whole house of Israel reunited, regathered, and fully restored!

Please help us spread the word and stop the slander.

Please send this link/post or text to anyone and everyone who will help us, and to everyone who needs to hear the truth. Help us tell them that we teach "Inclusion Theology"!

Blessings,

Batya and Angus
